**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep the Internet free and open to all providers, large and small. Do not succumb to pressure by the big companies who look for advantages.

Keep partisan politics out of the decision.

I have been sucesfully served for the past eight years by a small local provider. They should have the same opportunities to expand as any one else competing in this industry.
